

REMARKS

This divisional application presents claims that have been restricted out of the parent application.

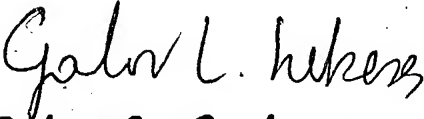

A typographical error in Claim 1 that had been noticed during examination of the parent application was also corrected in this preliminary amendment.

During prosecution of the parent case the originally submitted declaration was objected to because of a non-initialed alteration in declarant Vuligonda's citizenship. This defect was corrected during prosecution of the parent case, and a copy of the corrected declaration that was submitted in the parent case, is enclosed here.

In the event the Examiner is of the opinion that a telephone conference with the undersigned attorney would materially facilitate the final disposition of this case, he or she is respectfully requested to telephone the undersigned attorney at the below listed telephone number.

Respectfully submitted
